

Dress Code and Contact Information

All youth attending The Invasion Conference must understand and observe and parents must support the following:

- All youth are expected to dress appropriately.
- The bottom of your shorts should be no higher than the tips of your fingers when they are at rest to your side.
- For all young ladies: your swim suit should be a one piece or if you have a bikini you must wear a DARK t-shirt over it.
- No profanity on your clothing.
- No low cut or revealing shirts.

In Michigan we want to be an example of Godly Character in all we do (including our clothing). So if you have any question about an outfit that you want to pack please don't bring it. Also if one of your youth leaders feels that what you are wearing is questionable you will be asked to return to your room to change.

I, the youth member, have read and understand the above rules and possible disciplinary measures.
